

DOCUMENTS FOR CRIMINAL COURT CASE
JUNE 6, 2019

QUICK BACKGROUND & FACTS

As I mentioned previously, this is a case of legal harassment, as my niece Marie Dupiton, daughter of my sister who is powerless in influencing her daughter's actions. Specially with an MD title that she thinks is a license for family dictatorship. A very Vindictive person who after causing havoc in my marriage and our family is resorting to all types of devious means to block any family peace initiatives where she could be made accountable for divisive actions. And me, being the senior male of the family who exposed her activities & trying to bring a resolution, she made me her target by filing bogus police complaints, and once a temporary order is issued, she fabricates violations to get me arrested. Just as in this violation complaint, stating that I was around her place of business in a busy commercial street.

But what she did not say is that for 8 years the 2nd floor of that building was my home and office where I ran a business called "RockMasters Marketing. And for those 8 years, she was my landlord I paid rent to religiously. Then after getting married and kept the apartment as an office, she started invading the apartment and intruding into my personal life & marriage. Then one day, filled with jealousy and vindictiveness, she went to her lawyer and had him send us the letter below. An eviction letter out of nowhere.

And that's when it all started in 2013, and continued with a series of malicious activities that impacted my marriage, wife, daughter, family, and life in general. Totally out of jealousy and vindictiveness as you will see in the court cases history later.

But for now, let's go into the current criminal violation complaint

CURRENT CRIMINAL COURT COMPLAINT

So, as I understand it, she claims that I violated the current Westbury Court order by going near her place of business, and that I was looking at the building.

FIRST: AS FAR AS ME LOOKING AT HE BUILDING

What he omitted to say is that I was looking at my old 2nd floor apartment where I spent 8 great years of my life. And as you, or any human will do when they walk by a place they used to call home, they will look at their old home to reminisce about the old days and old memories. That is totally instinctive. And if she has a video, that's what it will show. I could care less about her clinic which I helped her with, lived above and saw everyday for over 8 years

AS FAR AS WALKING PAST THE BUILDING

Well, the map below will show you exactly what happened that day. But keep in mind that this is also my old neighborhood that I lived in for decades, where most of the people I know live, and where I do business. That day, I took the bus up Linden Blvd, past her clinic on 225 street to a restaurant I do business with 2 blocks away on 227 street. So leaving the restaurant I walked back to a grocery store, and the bus stop 2.5 blocks away, walking on the opposite side of a wide Linden Blv.

WELL HERE IS THE TELL-ALL GOOGLE MAP WITH MY NOTES

Now, her office is at the far end of the building, and with a wide Linden Blvd, I did not think of walking around with a laser measuring tape to confirm it was 100 feet . But I did get one more wake up call on how vindictive she is, and how strong is her determination to send to jail an uncle who was always good to her and the family. Thus the reason I cannot allow her to hold any restraining order as weapon or harassment above my head. Next, I will prove that to you with her pattern of past bogus police complaints

My final and important point is that I am in Cambria Heights at least twice a week, and I plan to move back in the area soon. The Q4 bus is the only one serving that area. So there are no other options.

NOW LET'S GO TO THE FUN PART AND SEE THE PATTERN OF VINDICTIVENESS THAT GOT US HERE, AND WHY ANY RESTRAINING ORDER FOR MARIE DUPITON IS A NO-GO. THIS LAW WAS CREATED TO PROTECT WOMEN FROM VIOLENCE, NOT TO BE A WEAPON TO HARASS MEN.

BOGUS CASE #1
SEPTEMBER 2017

From the initial eviction of my wife & I from the apt/office in 2013, let me jump ahead to 2017 after she already caused my marital break up. And without getting into details, let me show you the vindictive pattern of false complaints, arrests & my record of 100% dismissals in court.

As Marie Dupiton divisive and malicious actions within the family were getting exposed by me, she coerced my separated wife to file a bogus complaint that led to my arrest. At the time I was represented by Carrie Solages (Nassau County Legislator). The case was such an obvious fabrication, that upon seeing the glaring proof, the DA withdrew the case. That was Sept. 2017, as shown by the certificate of disposition below.

BOGUS CASE #2
JUNE 2018 (9 Months Later)

Now 9 months later, without going into details, I find myself facing another bogus police complaint that got me arrested again. This time, I was represented by Kayla Hardsky of Queens Law Associates. She got the case dismissed quickly on motion, as shown below.

FAMILY PEACE REQUEST FROM HER MOTHER

Now, having had enough with this family drama, my sister Liliane, Marie Dupiton's mother called for a family meeting to bring the all these shameful legal actions to an end. This was reflected in her text #1 below in French, saying that **"Enough is enough, it's time to put an end to the quarrel and do a peace negotiation"**. That was second in text #2 by Marie Dupiton's sister Dominique , then in text #3 by my daughter Tanisha, and agreed by me in text #4,

That all sounded great, until I got this message from Marie Dupiton, once more being vindictive and vulgar in blocking her mother's proposal.

There's no going back no negotiation. Psycho!!!

BOGUS CASE #3

JULY 23, 2018 (1 month after last dismissal)

So here we are in July 2018, and with Marie Dupiton no longer getting help from my wife, she runs to the police herself claiming that I threatened her by saying **"her ass will be grass"**. So, I received a call from a detective, and with Ms. Hardsky still my lawyer, I reported for another arraignment. But this time, the Queens DA would have none of it. So while in the court house waiting to be called to see a judge, I get called aside by an officer and was handed this letter that came down from the DA, then walked me to the exit door saying **"Have a nice day sir"**. That was July 23, 2018

BOGUS CASE #4
JULY 26, 2018 (JUST 3 DAYS LATER)

Well, Mrs. Dupiton was not happy with the DA. So she went shopping for a friendlier court. And 3 days later on July 26, 2018, she went to Westbury Family court to file the same complaint that the Queens DA had rejected, and got this Temporary order below which is now in trial.

ORI NO: NY029113J
Order No: 2018-002764
NYSID No: _____

At a term of the Family Court of the State of New York,
held in and for the County of Nassau, at Court House 1200 Old Country

PRESENT: Honorable Eileen C. Daly-Sapraicone
In the Matter of a FAMILY OFFENSE Proceeding

Marie Paule Johanne Dupiton (DOB: 01/16/1968),
Petitioner

- against -

Jean Claude Elie (DOB: 11/28/1951),
Respondent

File # 607371
Docket # 0-06421-18

Temporary Order of Protection
Ex Parte

For this case, I am now being represented by Ms. Jaimie Birk of Nassau County Law Associates at (516) 560-6452

In filing this complaint, the evidence of her obsession with getting me arrested is right there in her handwritten statement, calling for my arrest, and sent away for mental health. Just because she said so.

He needs to be arrested, sent for
mental health evaluation -
Cease & Desist order

Then she sent me the texts below, further confirming her sadistic obsession with the police to get me arrested. **You have it here in her own words to me after she was granted that temporary order.**

I know the Police.
That's all I know.

Yep! Only the Police

BUT WAIT. IT GETS A WHOLE LOT BETTER, AS SHE GETS TO PUT THE ABOVE WORDS INTO ACTION, ARMED WITH THE WESTBURY TEMPORARY ORDER.

BOGUS COMPLAINT #5
NASSAU COUNTY POLICE CALL ON VIOLATION #1

Then all the sudden, I get a call from a Nassau detective saying that Marie Dupiton came to file a complaint that I violated a Westbury court order of protection by sending her an email. A complete fabrication which I was able to explain to the detective. But you don't have to hear it from me. The call was recorded. Listen for yourself,

Well the detective was convinced, and I never heard from him again. So did Mrs. Dupiton quit? Hell No!. That where you come in with Queens Criminal court.

BOGUS COMPLAINT #6
QUEENS COUNTY POLICE CALL (1 WEEK AFTER)

Now, just days after the Nassau Detective call above, I get an unexpected voicemail from my previous lawyer Ms. Hardsky, saying that a Detective from the 105 precinct in Queens called her trying to locate me, and that my niece had filed a complaint against me saying that I went by her place of business. Ms. Hardsky just could not believe that I was still going through this nightmare with my niece after she got the last 2 complaints dismissed. So I told her about the open case in Westbury, and was told that I had to turn myself in.

SO HERE WE ARE TODAY, AND MY SCHEDULE IS:

- **CRIMINAL COURT: JUNE 6 WITH YOU**
- **WESTBURY TRIAL: JUNE 10 WITH MS. BIRK**

YOU GOT THE STORY & WHY THIS NIGHTMARE MUST END

Thank You
